

Science

In Science we will be looking at these areas:

- Plants and animals and their habitats.
- How plants and animals get food including looking at food chains.
- How seeds grow and what they need to grow.

Geography

In Geography we will be learning to name and locate the world's continents and oceans.

P.E

This term we will exploring ball skills followed by dance.

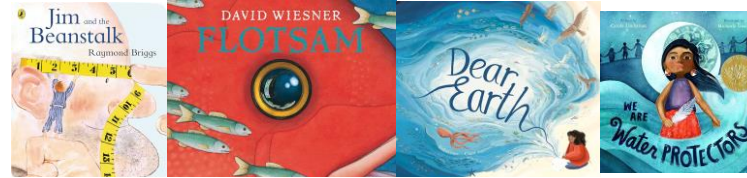

Art and DT

In Art we will be studying George Seurat and trying his method of pointillism.

In DT we will be looking at what makes a healthy diet and will do some cooking.

A small school, dreaming big.

English

Sycamore Class Into the Forest Autumn 2024

Westbury-on-Severn
CE Primary School

Computing

In computing we will be learning to:

Recognise that we can count and compare objects using tally charts

Recognise that objects can be represented as pictures

Create a pictogram

Select objects by attribute and make comparisons

Recognise that people can be described by attributes

Explain that we can present information using a computer

PSHE

Same or different?

Getting on with others

What makes us who we are?

Should I tell?

History

This term we will be learning about the Gunpowder Plot.

R.E.

In R.E this term we will be answering the questions:

Who is Jewish and how do they live?

Why does Christmas matter to Christians?

Mathematics

In Maths, this term the children will be learning properties of shape on Wednesdays with Miss Eccles.

The rest of the week the children will be doing the topic number and place value followed by addition and subtraction.

Timetable

Miss Wills – Monday, Tuesday, Thursday, Friday

Miss Eccles – Wednesdays

P.E – Thursdays (P.E kit please)

We will do occasional outdoor learning – the children will need to have a coat in school every day and can wear their wellies that should be in school for OPAL.
