

Science - Electricity and circuits.

We will be designing and lighting a mini traffic light system.

Things to talk about

- Your family and your Westbury story
- Westbury Court Gardens
- The history around you

Geography - map reading and drawing

We will be exploring online and physical maps as well as looking at changes over time.

We will look around Westbury and will create our own maps of the village.

We will be exploring physical and human features of our surroundings.

Destination Westbury

English

We will be looking at folk stories, fairy tales, newspaper reports and poetry this term. Our inspiration will come from the texts - Mermaids of Zennor, Grimm Tales, and Jaberwocky.

Maths

Y4 units - written methods for the 4 operations.

Y5 units - fractions, decimals and percent, and multiplication and division

Y6 units - SATs revision with Mrs Smith, fractions with Mrs R-B

Things to

- The Colchester family
- The English civil war 1642
- what three words
- know your place

History

We will be looking at lots of local history specifically the workhouse and Westbury Court. We will be using a range of sources, but would love to hear from you if you can help with any artefacts, stories or photos of Westbury history.

Art and RE

We will be looking at the work of local artist, Doug Eaton. Our RE units will explore Salvation, incarnation and the resurrection.
