

## French Progression Map Y2-Y6

At Westbury-on-Severn children are taught French from Year 2 onwards, with the aim to develop a working knowledge of key vocabulary and phrases plus an understanding of French culture. We follow a planned scheme 'Mr French' on **Grammasaurus** which encourages children to speak, converse, write, read and sing in French. Topics are short and snappy and have a mixture of interactive lessons through PowerPoint and some follow up written tasks. Sessions enable pupils to understand and communicate ideas, facts and feelings in speech and writing, focused on familiar and routine matters, using their knowledge of phonology, grammatical structures and vocabulary.

We follow a 2 year rolling programme for Y2/3 (Sycamore class) and a 3 year rolling programme for Y4/5/6 (Oak Class) as mapped out below, with regular reviews of key learning. Teachers use AFL to assess, support and extend. Subject leaders review this curriculum with teachers to ensure it is meeting the pupils' needs.
